Jones Hamilton Co. is awarding one $750 scholarship to an Ohlone College student who demonstrates an interest and ability to pursue a degree in chemistry/engineering and will be entering their second year of college in the Fall.

Founded in 1951, Jones-Hamilton Co. has produced, packaged, and marketed chemicals for use in both industrial and consumer markets. They are dedicated to providing their customers with high-quality chemicals, reliable applications, and dependable customer service.

Preference for this scholarship will go to a resident of Newark, with consideration given to non-residents when a Newark applicant who meets the criteria is not available.

To apply for this scholarship, you must:

- Be majoring in a Chemistry or Engineering-related program.
- Be a second-year college student in Fall 2022.
- Have a GPA of 3.0 or above.

Disbursement Notes:

- This scholarship requires you to be a full-time Ohlone College student (enrolled in 12+ units) in the Fall. Failure to enroll in a minimum of 12 units will result in ineligibility to receive the scholarship disbursement.
- Half of the scholarship will be given the first year, and if the student maintains their GPA, the other half will be given their second year.
