Dear Ohlone Students,

I hope you had a relaxing summer, and I want to take this opportunity to welcome you to the Fall 2021 academic year. I know COVID has brought us some challenging times, and in spite of that, the Faculty and staff stand ready to support you.

The Office of Student Services will be providing virtual and in-person services (<https://www.ohlone.edu/ohlone-college-live-support>) throughout the Fall semester, so please don't hesitate to give us a call to answer your questions so we can support your success here at Ohlone College. Team Work Makes the Dream Work! Let's work together to ensure you maximize your Ohlone College experience.

During the first week of the semester, we continued the tradition of hosting Navigation Stations (formerly Welcome Wagon) to support students as they return to campus. Here are some of our dedicated Ohlone volunteers who helped refer students to resources, provide directions, and simply greet students with the warmth and energy they deserve in this exciting semester!
