HAAS:

ENVISION HAAS - Transfer Outreach Program
Now entering our third year, the Haas Undergraduate Program in collaboration with our Haas Business School Association (HBSA) is proud to share our Fall 2020 Envision Haas schedule. This Fall semester, we will be conducting two sessions per month. Interested students and counselors can sign-up via the Zoom registration links posted on the Outreach & Admission Events website linked above.

Haas Supplement Q&A Webinar - Thursday, January 21, 5:00PM-6:00PM PST
In addition to the UC Application, transfer applicants are required to submit the Haas supplemental application by January 31st. Current applicants with questions about the Haas Supplement should join us during this live chat. The Zoom registration link will be posted on the Outreach & Admission Events website.

What should your students do if they are interested in applying to the Haas Undergraduate Program?

1. **Speak to a Haas Advisor**
   Haas advisors are available for virtual appointments on Mondays & Tuesdays from 1:30pm to 4:30pm and Wednesdays & Thursdays from 9:00am to 12:30pm. Please visit our Pre-Admissions Advising page for more information and to schedule an appointment.

   We strongly advise prospective students to make an appointment for advising help.

   For quick questions, students can email uginfo@haas.berkeley.edu

2. **Get to know the business major**
   Encourage your students to attend a virtual Envision Haas session to learn more about the business major.

3. **Review the articulation agreement**
   California community college students interested in applying to the Haas Undergraduate Program must follow the most current Articulation Agreement. This information can be found on assist.org by selecting the community college, then UC Berkeley, then the business administration major.
4. **Ensure Eligibility**

All applicants must meet the minimum eligibility requirements. This information is summarized on the Berkeley Haas website and the articulation agreement on assist.org. Every year a significant number of our transfer applicants are denied because they fail to show planned completion of these requirements.

Here are a few of the most common reasons for ineligibility:

- **Failure to complete all requirements.** All required courses (100% of admission requirements) must be completed by the end of the Spring term prior to starting at the Haas School of Business. If a student is missing one required course he or she will be considered ineligible for admission. Required courses cannot be taken during the summer term after the application is submitted.

- **IGETC:** IGETC is not sufficient to fulfill requirements for the business major. All applicants must meet the minimum eligibility requirements outlined in the articulation agreement on assist.org.

- **5-year Rule:** All prerequisites must be completed within 5 years prior to starting at the Haas School of Business. For example, students planning to start in Fall 2021 cannot use prerequisites taken prior to Fall 2016. Prerequisites taken prior to Fall 2016 must be repeated.

5. **Complete the Application Process**

Students interested in applying to the business major at UC Berkeley must complete both phases of the application process.

**Phase 1:** Submit a complete UC Application by November 30th.

**Phase 2:** Submit a complete Haas Supplement by January 31, 2021. In addition to the UC Application, transfer applicants are required to submit a supplemental application. Applicants will be sent an email by UC Berkeley’s Office of Undergraduate Admissions by the first week of January with information about the Supplement. The Supplement must be submitted online and includes the Haas self-reported academic record, an additional essay, and a resume template.

Applicants who fail to submit a complete UC application and a complete Haas Supplement will not be considered for admission.
I hope you all have a great Fall term at Ohlone College and if you have questions about this letter, please feel free to contact me, Alessandra Fadeff, Assistant Director of Admissions at afadeff@haas.berkeley.edu, or Monique Ellis, Associate Director of Admissions at moellis@haas.berkeley.edu.

**Starting Point Mentorship Program:**

The Starting Point Mentorship Program (SPMP) at UC Berkeley connects community college students with current Berkeley transfer students of similar majors, backgrounds, and/or community colleges. Mentors provide informational support in navigating the application process to UC Berkeley, along with imparting insight about the transfer student experience at UC Berkeley.

For more detailed info visit our site: [https://transfers.berkeley.edu/startingpoint/](https://transfers.berkeley.edu/startingpoint/)

**SPMP has been a UC Berkeley program that supports transfer students for over 19 years. In recent years, 1 in 3 mentees were admitted to UC Berkeley.**

**Fall mentee requirements:**

- Students must be applying to UC Berkeley by November 30, 2020 (current admission cycle)
- Students must have a minimum cumulative GPA of 3.20 (competitive eligibility for UC Berkeley)
- Students agree to complete the mentee questionnaire and sign the mentee agreement

**Benefits for mentees including but not limited to:**

Advice and mentorship from a current Berkeley transfer student

Opportunities to meet with admissions officers during the application period

Workshops covering an array of topics from admissions to student life

A chance to create community at UC Berkeley and better understand the student experience.

SPMP is a recognized enrichment program that can be noted on the UC application
We've attached a flyer for your convenience and would appreciate it if you could share this with other counselors and students at your institution. **The application can be accessed through this link:** [tinyurl.com/startingpoint20](http://tinyurl.com/startingpoint20)
