II. Money Request Information

Program Title: Halloween gift Baskets
Date: OCT. 2020 Planned Location: N/A Planned Time: N/A
Student Presenter Name (optional, but preferred): Blanca Salazar and Alissa Torres
Purpose and Description: We are hoping to sell these baskets to Ohlone Students and the surrounding communities.

With the money we earn, we hope to donate it to a local women organization. Due to COVID, we will be taking sanitary precautions such as, disinfecting items, wearing masks and gloves when creating the baskets.
Both presidents would arrange the baskets with the help of three other members who will help us distribute these baskets.

Previously, we have talked about this idea to our club members. This project has been talked about a lot in our meetings. We have considered club members ideas and made this a group collaboration.

We have created a Google form where we ask for feedback from our club members and the community to help us decide what to include in the gift basket. Thanks to their feedback, we were able to choose how we are going to spend the money and on what materials to purchase.

No other campus organization is involved with this project.

Like we've mentioned before, we created a Google Form and are starting to promote this on our Instagram. We are also planning to sneak peak to what the basket would look like.

Social Media is our primary place to advertise.

ICC Funding Policy (For Clubs Only)

Statement of Purpose:
ICC supports the funding of club events and activities that engage the larger Ohlone College community, foster cooperation of campus organizations and clubs, support fundraising efforts of campus clubs, and provide an educational benefit to the campus community.

General Guidelines:
• In granting funding requests, ICC shall be guided by the above statement of purpose.
• In each semester, ICC shall distribute no more than one half of its total budget.
• Clubs are limited to two requests per semester, with a maximum of $500 per request.
• No club shall be awarded more than $1,000 per year.

Guidelines for New Clubs:
• A club shall be considered “new” if it has not been active for 2 consecutive academic years or 4 consecutive semesters.
• New clubs will have a 2-month, or 40 school-day, probationary period, from the time they are given active status, during which they can not ask for funding.
• At the end of the probationary period, a club can request a maximum of $75 from ICC through the standard request procedure.
• At the beginning of the semester following probation, a new club may request funding under the same criteria and guidelines as other clubs.

Procedures and Accountability:
• Every club shall submit a written request for funding to ICC through the “Club Event Money Request Form.” Forms can be picked up and turned in at the Campus Activities Office.
• Clubs MUST complete detailed projected budget information for each event listed on the Request Form.
• Clubs MUST submit an actual budget and event recap after the event is held. If money is not used properly, the club may forfeit its rights to further funding.
• The process will take approximately 2 weeks once the form is submitted. A club must be prepared to present the material on the Money Request Form at the following ICC meeting. The funding decision will be made at the subsequent meeting.

I have read and fully understand the ICC Club Funding Policy and am aware of the procedure my club must follow in order to request funds.
