I. All funds are allocated on a first-come, first-serve basis.

II. Given that the Council of the Associated Students of Ohlone College (ASOC) allocates student generated funds to various individuals and groups, all persons and groups must acknowledge ASOC funding in all publicity. It must be noted that the event is either: “funded…”, “co-sponsored…”, or “funded in part…”, “…by your student government.” Publicity must bear the ASOC logo.

III. For all persons and groups who have not received funds before the said event, and fail to comply with this policy, then the funds may be withheld at the discretion of the ASOC Council.

IV. For all persons and groups that have received funding for the said event, and fail to comply with this policy, the ASOC Council reserves the right to deny future funding requests.

V. This policy has been adopted for the purpose of informing the students of the use of their student activity fees and increasing their awareness of their student government.

VI. This policy applies to everyone and every group requesting funds from the ASOC Council.

The remaining balance of 85% of the loan is due to the ASOC no later than May 1st of the academic year.

ICC Funding Policy (For Clubs Only)

Statement of Purpose:
ICC supports the funding of club events and activities that engage the larger Ohlone College community, foster cooperation of campus organizations and clubs, support fundraising efforts of campus clubs, and provide an educational benefit to the campus community.

General Guidelines:
• In granting funding requests, ICC shall be guided by the above statement of purpose.
• In each semester, ICC shall distribute no more than one half of its total budget.
• Clubs are limited to two requests per semester, with a maximum of $500 per request.
• No club shall be awarded more than $1,000 per year.

Guidelines for New Clubs:
• A club shall be considered “new” if it has not been active for 2 consecutive academic years or 4 consecutive semesters.
• New clubs will have a 2-month, or 40 school-day, probationary period, from the time they are given active status, during which they can not ask for funding.
• At the end of the probationary period, a club can request a maximum of $75 from ICC through the standard request procedure.
• At the beginning of the semester following probation, a new club may request funding under the same criteria and guidelines as other clubs.

Procedures and Accountability:
• Every club shall submit a written request for funding to ICC through the “Club Event Money Request Form.” Forms can be picked up and turned in at the Campus Activities Office.
• Clubs MUST complete detailed projected budget information for each event listed on the Request Form.
• Clubs MUST submit an actual budget and event recap after the event is held. If money is not used properly, the club may forfeit its rights to further funding.
• The process will take approximately 2 weeks once the form is submitted. A club must be prepared to present the material on the Money Request Form at the following ICC meeting. The funding decision will be made at the subsequent meeting.

I have read and fully understand the ICC Club Funding Policy and am aware of the procedure my club must follow in order to request funds.
