1. Senate Leadership 2021-2022
   The Senate will select an Interim President for 2021-2022

Susan Myers took over as Acting President in January 2021 when Senate President Jesse MacEwan went on leave. The intent was to serve only one semester on a temporary basis. Jesse has since decided not to return to his role as Senate President in Fall 2021. Kyle Livie has volunteered to step into the role of Senate President for the remainder of Jesse’s term, which is one more year.

Motion to appoint Kyle as Faculty Senate President for academic year 2021-22: Brenda Ahntholz
   Second: Noella Rashid

Discussion: There were no other volunteers or nominees put forward.

Vote to approve: Unanimous

Senate discussed when Kyle’s “start” date, it was decided that it would be July 1, 2021.
