

Adobe application use on your Ohlone issued device:

If you are using your Ohlone issued device and do not have access to a particular Adobe application, Please open the Creative Cloud application from the start menu:

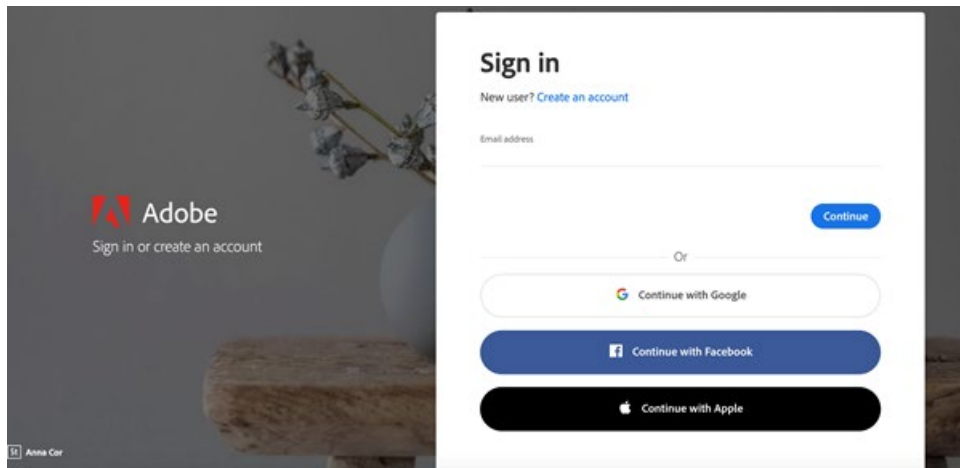

You will be prompted for a login and password. Please use your Ohlone credentials (as in the pictures below). Creative Cloud may run an update. Allow the update to complete and then access Creative Cloud again. Once logged in, you will be able to choose applications to install.

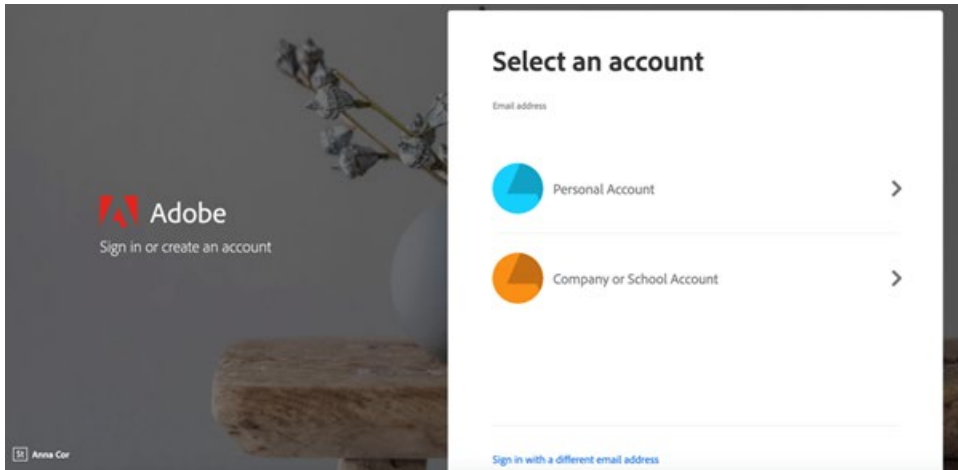

Adobe product access for personal home computers (not Ohlone issued):

Adobe has provided temporary at-home access so that work remotely can continue. Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device.

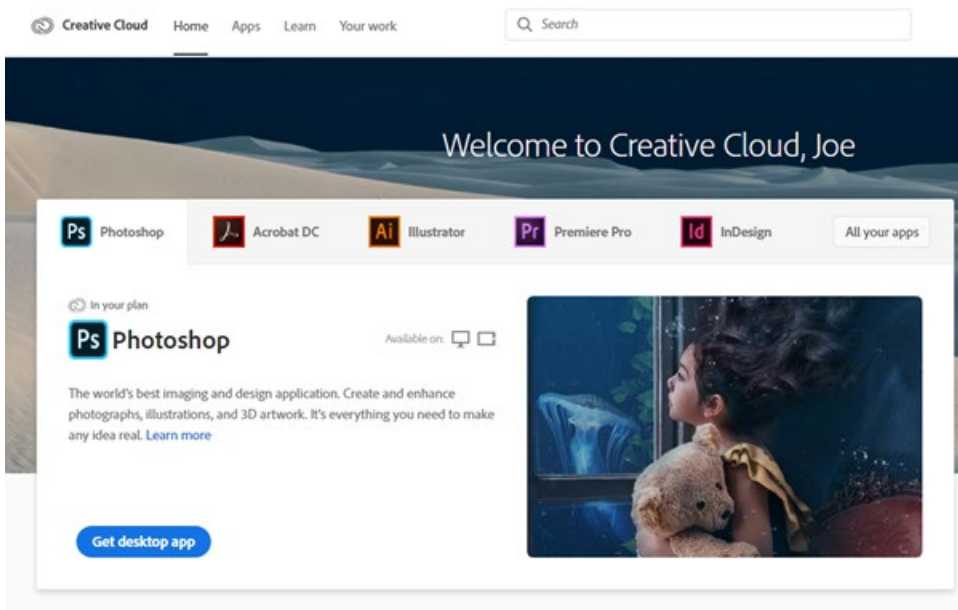

1. Visit <https://creativecloud.adobe.com> and use your school credentials to sign in.

2. If prompted, select Company or School Account and then enter your password. Or provide your credentials in your school's login screen.

3. From the Creative Cloud website, browse for and download your desired app. Click **Apps** on the top of the page to view all apps.

For more information on how to download or install apps, see [Download and Install Creative Cloud apps](#).
