

## Program Review 2020-21 Proposal

- Departments up for a comprehensive review in 2019-20 will complete the review in 2020-21.
- Departments will use the template in place in 2018-19 (word doc).
- For 2020-21: all programs will update their PIOs (and budget requests).
- The comprehensive program review schedule will be moved forward one year, i.e. those originally scheduled for a review this year will do so next year, etc.

- Support and training will be provided to departments Fall 2020
- Additional discussion on a new template and process will occur in 2020-21 beginning with the IEPI PRT visit this fall.
- Faculty Senate will be involved in the development of any future process – the ultimate goal is to incorporate the work done by last year's PR Taskforce into the 2021-22 PR templates.
