Ohlone College Program Mapping Template 1.0

(GP approved 9.25.2020)

Full Time Student Map			
Assumptions for Full Time Student Map:			
1) The student is able to enroll directly in college-level math and English.			
2) The student is able to enroll in a minimum of 12 units; 15 units should be the average.			
3) The student prefers not to take summer courses, but summer courses can be added.
