Dear Ohlone Students,

Welcome to Ohlone College! We are so excited that you have chosen Ohlone to build the foundation to your future and look forward to seeing how you take the lessons you learn here with you in your path to success.

Ohlone College is proud to serve you in achieving your educational goals. We offer 187 associate degrees and certificates with a wide array of course offerings and areas of focus to get you to where you want to be—whether that’s to transfer to a four-year institution, to work toward a certificate, or to skill up to enter the work force with more applicable knowledge.

If you’re starting your studies and are not certain which path you’d like to take, we have many support services and programs with which you can connect to receive guidance. We are here for you every step of the way with highly qualified and dedicated faculty and staff to guide you. And, while you’re here, we invite you to broaden your worldview and extend yourself beyond your comfort zone, to explore, and to take your time with us as an opportunity to grow into your best self. Check out our various student clubs, attend events, and consider joining one of our athletic teams.

As a student, you will be able to utilize our beautiful Fremont and Newark campuses. Our Fremont Campus is home to state-of-the-art learning environments for science, labs, arts, general classes, and an amazing library and learning commons. Our Newark Center is designated as the heart and hub for our health science programs and serves the western part of the district. We also offer a virtual campus for students who need online classes.

Ohlone College serves over 15,000 students each year—all are unique and all bring their own flavor to the campus experience. We are an inclusive community, celebrating diversity and serve our students through the lens of equity in all that we do. We hope you enjoy your new journey with us at Ohlone and can’t wait to get to know you better. Welcome!

Sincerely,

Eric B. Bishop, Ed.D.
Superintendent/President
Ohlone Community College District
Hello Ohlone Students,

On behalf of the administration, faculty, staff and students, welcome to Ohlone College!

We are so pleased and honored that you have chosen Ohlone College as the school to pursue your higher education goals. During your journey here, you will find the faculty and staff to be accommodating, knowledgeable, and ready to answer your questions and support you in any way they can.

As a former community college student, I know how confusing and challenging it can be to navigate the college experience. Please know that we stand ready to provide guidance and offer excellent support services to you. When you succeed, we succeed; so, as you move forward, don’t hesitate to reach out to us early in your experience here at Ohlone College. In the attached Student Handbook, and online, you will find an abundance of student services. All of these services have been created to enhance your success - it’s a team sport, so let’s work together as you pursue your higher educational goals and career aspirations.

Good luck and Go Renegades!

Milton Lang, Ed.D.
Vice President of Student Services

TUTORING SERVICES

The Ohlone Tutoring Services Program provides no-cost, academic support to students needing extra help in understanding the concepts in their classes. General tutoring services are available through the English Learning Center (ELC) on the second floor of Hyman Hall, room HH-21, on the Fremont campus.

The Counseling Department, Extended Opportunity Programs and Services (EOPS), and Student Accessibility Services (SAS) also provide tutoring and learning readiness programs and coordinate with services with the tutoring centers. Find out more at: www.ohlone.edu/tutoring.

NetTutor
Ohlone College offers online tutoring anytime through NetTutor in many subject areas. Students that are currently enrolled can access NetTutor through the Tutoring Canvas Site.

Tips for Success at Ohlone

- **Get to campus early:** Include time to find parking and walk to your class.
- **Purchase items ahead of time:** You can find book information in the course syllabus or online. Be sure you also buy a parking permit on WebAdvisor.
- **Get to know the staff and faculty:** Attend office hours and programs. Create a relationship with your faculty to understand their positions and ideas, as well as receiving positive feedback on the course and questions you have.
- **Engage with the materials in the class:** Ask questions, take detailed notes, and volunteer. Remember, most instructors factor class participation into your overall grade.
- **Familiarize yourself with the campus:** Visit campus landmarks such as building 7, Ohlone Way, and the Multicultural Student Center. Bring a campus map the first few days.
- **Set your goals:** Assess your priorities and schedule regular meetings with counselors starting with a 30-minute, Student Education Planning (SEP), meeting in your first fall semester. Develop a good relationship with a counselor. They will assist you in meeting your educational goals and ensure that you are taking the correct classes to meet these goals. You are strongly encouraged to meet with your counselor at least once a semester to discuss your academic path.
- **Prepare for classes:** Review the syllabus for your classes beforehand, and take note of your assignments, due dates, and test information.
- **Get involved on campus—Interact with classmates, form study groups, or join a club or ASOC (Associated Students at Ohlone College).**
- **Manage your time:** Don’t overwhelm yourself with too many units. Take some classes that interest you to balance out your harder classes. Set aside one hour of class time, and two hours of study time, for each unit.
- **Reward yourself:** Take time to reward yourself for studying. After finishing an hour of hitting the books, take a short break to do something fun.

ADMISSIONS AND RECORDS

Are You Ready to Register?
Please make sure you have completed all the steps below.

1. Apply for Admissions: Visit www.ohlone.edu/apply to complete the application. You may be required to submit additional information to Admissions and Records including:
   - A new application for admissions to reactivate your record if you miss one or more semesters.
   - Residency and immigration reclassification – If you are classified as an out-of-state student, you answered something on your application that stated you have been out-of-state in the last 365 days. Please review the residency and immigration reclassification form for acceptable documents, and submit the residency form, and supporting documentation, at least 6 weeks prior to the start of a term.
   - AB540 – California nonresident tuition exemption request. This is for students who hold a current nonimmigrant visa.

2. Receive Your Ohlone ID: This process can take 2-3 business days.

3. Apply for Financial Aid: Ohlone strongly recommends all students complete a FAFSA regardless of family income. Students have a variety of opportunities to receive other types of aid not based on need.

4. Set Up Your WebAdvisor Account and Your Ohlone Student Email Account.

5. Review and Update Your Student Profile: update your student profile in WebAdvisor under the “registration” section.

6. Check the Registration Readiness Dashboard: This shows an up-to-date registration status with steps needed to be cleared to register. The dashboard is located on WebAdvisor under the “registration” section.

7. Register and Pay for Classes
   - You must pay for your classes with the Cashier’s office within 7 days after registering.
   - Payment plans are available.
   - Students are responsible for adding/dropping/waitlisting classes through their student portal. It is the student’s responsibility to drop classes by the published dates for full-term classes. You can check “my schedule” on WebAdvisor for currently enrolled classes.
   - If you unintentionally drop yourself from a class, please contact your instructor to be added back.

8. Check Deadlines and Important Dates: For a list of important dates and deadlines, please review the academic calendar each semester. If you are enrolled in short-term classes, please contact your instructor for the important drop/refund deadlines.

Student Petitions
Admissions and Records processes several types of petitions. Course Repetitions to repeat a class for a third attempt come from Counseling for pre-approval and processed by Admissions.

Graduation/IGETC/Change of Major
Admissions processes forms such as your graduation application, your change of majors and general education (CSU or IGETC) certification requests. Updated forms will be located at www.ohlone.edu/admissions/docindex.

COUNSELING DEPARTMENT

We are here to support you!

The Ohlone Counseling Department provides personal counseling, academic and career planning, and can assist in obtaining your educational, transfer or career goals.

Any currently enrolled Ohlone student, with an Ohlone student ID number, can speak with a counselor.

It is recommended that you speak with a counselor at least once per semester. Counselors are available to ensure you are taking proper classes, and that meet your educational goals. All students are encouraged to meet with a counselor to create a Student Education Plan (SEP) early in their Ohlone academic career. The SEP will outline the courses you need to take while attending Ohlone College.

There are several different ways to connect with a counselor:

• **Phone Appointment**: Call to schedule an appointment with a counselor and speak with them over the phone at 510-659-6110 or 510-896-5177.

• **Email**: Email counselors with questions. You can also send general questions, not pertaining to specific academic goals, to counselingsupport@ohlone.edu.

• **Video Appointment**: Live video chat with a counselor.

• **Drop-in Waitlist**: Add your name to a drop-in waitlist to attend a shorter (15-minute) drop-in appointment. This option should only be used to answer shorter or less involved questions.

• **Enroll in a Personal Development Course**: Personal Development (PD) courses are designed to assist you in obtaining the skills needed to; successfully transfer, select a major or career, and obtain the study skills needed to be successful in your academic goals. This is a for-credit course taught by a counselor. Search and register for Professional Development courses in WebAdvisor.

Peer Advisor Academy

The Peer Advisors, in the Peer Advisor Academy, are available to assist and guide you through the Ohlone College experience. Students in the Peer Advisor Academy are current Ohlone College student leaders that aim to create a welcoming and inclusive campus culture by empowering new students and community members to college success, while strengthening their own professional development. Peer Advisors provide our campus with friendly, knowledgeable leaders. Want to connect with a Peer Advisor? Contact the Peer Advisor Academy at peeradvisor@ohlone.edu

2021 New Student Handbook | OHLONE COLLEGE
FINANCIAL AID

- Complete your Free Application for Federal Student Aid (FAFSA) or CA Dream Act Application (CADAA) early.
  - FAFSA/CADAA open up October 1 every year.
    - https://studentaid.gov/h/apply-for-aid/fafsa
    - https://dream.csac.ca.gov/
  - FAFSA/CADAA priority deadline is March 2 every year.
  - The Cal Grant requires either of these applications (FAFSA/CADAA) be completed by March 2, as well as CPA submission, in order to be eligible for the Entitlement Grant.

- If you are unable to complete a FAFSA or CADAA application, you should complete your CA College Promise Grant short form as early as possible.
  - CCPG forms are available from October 1- June 30.

- There are several types of financial assistance that are available to students:
  - Federal Aid – Pell Grant, FSEOG, Work Study, Student Loans.
  - State Aid – Cal Grant, CA. College Promise Grant, Student Success Completion Grant, and Chafee Grant.
  - Institutional Aid – Ohlone Promise Scholarship and private donor scholarships.
  - Other – Outside scholarships/grants, veterans benefits, etc.

- All financial aid information can be accessed through the Financial Aid Self-Service Portal.
  - Log into WebAdvisor.
  - Locate the financial aid section and click on “Financial Aid Checklist.”
  - Once on “Self Service,” navigate to the top of the page and click on the “Financial Aid” blue link.
  - From there you can navigate to all financial aid information – awards, SAP status, offer letter, file completion status, disbursement information, as well as helpful links.

- Ohlone College delivers your refund with BankMobile Disbursements.
  - View our contract.
  - The disbursement schedule can be found at www.ohlone.edu/finaid/dates.
  - Ohlone College uses a degree audit system to ensure that you are paid federal aid only for courses that apply to your degree program.
  - Financial Aid uses an FA census date (Pell recalculation date) to calculate Pell Grant eligibility for all eligible Pell Grant students. This date is usually 1 month after the start of a standard semester (fall/spring) and 2 weeks during the summer semester. Any course added or dropped prior to that date will automatically adjust your Pell Grant eligibility.

SPECIAL PROGRAMS

Educational Opportunity Programs and Service (EOPS)
EOPS aims to support the educational needs of students who are hindered by language, social, and economic disadvantages. EOPS offers programs and services that facilitate the process of supporting students in achieving their academic, transfer, personal, and career goals. We believe “if you’re doing it alone, you’re doing it wrong.” For more information and to join, visit: www.ohlone.edu/eops.

Summer Bridge/First-Year Experience (FYE)
Summer Bridge is an engaging two-week program designed to make the transition to college as smooth and successful as possible for incoming first-year students. The Ohlone College First-Year Experience is a year-long retention and support program designed for first-generation, first-time in college, students. The program’s aim is to help students persist through their first year, providing the necessary tools, resources, and mentorship to be successful throughout the program and beyond! For more information and to join, visit: www.ohlone.edu/fye or www.ohlone.edu/summer-bridge-program.

Undocumented Student Support Services and Resources
Ohlone College support services are offered to all enrolled students, no matter the documentation status. Undocumented or AB540 (Dreamer) students are also provided application assistance, support from the UndocuAlly Team, and access to various workshops throughout the year. For details visit: www.ohlone.edu/dreamers-support-services-and-resources.

LEARNING COHORTS

Ohlone Math Gateway (OMG)
The OMG Program is an accelerated math program for engineering and computer science majors. The program helps improve math confidence and helps students find a career in STEM! For more information and to join, visit: www.ohlone.edu/go/omg.

Puente
The Puente Program is an award-winning learning community and “familia.” The program aims to increase the number of educationally underrepresented students that enroll in four-year colleges and universities, and helps students to earn college degrees, and return to the community to become mentors and leaders of future generations! For more information and to join, visit: www.ohlone.edu/puente.

Umoja
The Umoja Scholars Program combines academic learning with counseling, social support, and opportunities for cultural exploration. This learning community is designed for students of African descent, to promote their success, however, all students are welcome to join. For more information and to join, visit: www.ohlone.edu/umoja.
OFFICE OF STUDENT LIFE

The Office of Student Life seeks to collaboratively create innovative, student-centered programming that advocates for opportunities for students to build leadership skills, create connections, and contribute to an antiracist, equitable campus. Join us in building our Ohlone community through a variety of fun activities and events such as our self-love event, open mic sessions, video game tournaments, cultural celebrations, poetry slams, and much more! Learn more at www.ohlone.edu/studentlife.

Support Services and Resources
Student Life houses programs in support of our students. One of those services includes The Ohlone Pantry, a free food assistance program for all enrolled Ohlone students via www.ohlone.edu/ohlonepantry.

For a complete list of support services provided by our department, please visit our website www.ohlone.edu/studentlife.

Associated Students of Ohlone College (ASOC) and the Inter-Club Council (ICC)

ASOC is the student government on campus, and helps ensure students receive the best possible experience while studying at Ohlone College. The ASOC’s role is to serve as a forum to express student opinions or concerns and be the liaison between the college administration and the student body. Please visit www.ohlone.edu/asoc for more information.

The ICC is the coordinating organization and official source of recognition for student clubs. Through ICC, clubs stay updated on the latest campus issues, become connected to other clubs and campus leaders, and learn how to organize and schedule club events. Please visit www.ohlone.edu/studentlife/studentclubs for more information.

Multicultural Student Center (MSC)
The MSC mission is to promote student success, retention, persistence, and degree completion by fostering holistic identity development that embraces diversity and prepares students to become conscious global citizens. The MSC provides programming that addresses social justice issues, fosters a sense of solidarity, resilience, and activism, in order to provide students with an empowered voice in the Ohlone College community and beyond. Please visit www.ohlone.edu/studentlife/multicultural-student-center for more information.

STUDENT HEALTH CENTER

Medical Services
The Ohlone Student Health Center takes great pride in being one of the most visible and resourceful student services on campus. It provides excellent health care to students and takes a leadership role in promoting and advocating for a healthy campus community. The health center provides primary and urgent care, immunizations, diagnosis and treatment of minor illnesses and injuries, over-the-counter medications, HIV testing and counseling, health education, and mental health services. Most services are covered through the student health fee; however, some services require a nominal fee.

Mental Health Services
The Ohlone Student Health Center recognizes that mental health is a key element in the academic success, and provides mental health counseling, free of charge, to all Ohlone College students. Contact the Student Health Center to make a personal counseling appointment. Be sure to check the STEP Up Ohlone webpage for information on-campus events and campaigns promoting student wellness hosted by your peers – Student Wellness Ambassadors.

Mental Health Crisis Lines are always open. If you or someone you know is in crisis, contact:

CONTACT STUDENT ACCESSIBILITY SERVICES (SAS)
The Ohlone College Student Accessibility Services (SAS) is designed to open the doors to educational and occupational opportunities for students with disabilities. Our primary purpose is to provide an opportunity for all individuals to gain maximum benefit from their educational experience. Ohlone College encourages students with disabilities to participate within the limits of their disability in the same activities and courses as other students.
Example services you may be eligible to receive include:
• Interpreters
• Access to our Adaptive Technology Center (ATC)
• Real-time Captioning devices
• Equipment loan (headphones, assistive listening devices)
• Test taking accommodations
• Note-taking services
To receive SAS services, students must follow the eligibility process, have an open case in SAS, and also be enrolled in classes at Ohlone College.

Athletics

Welcome to the Renegade Athletic Department at Ohlone College! We are proud to offer a variety of athletic programs for students who want to stay active and competitive. Our teams compete in the Coast Conference of California Community College Athletic Association (CCCAA) and represent the school with pride and passion. For more information on our fall, winter, and spring sports teams, please visit our website at www.ohloneathletics.com. To learn about joining a team or attending a game, feel free to contact our staff or coaches directly. We look forward to seeing you at the games!
TRANSFER CENTER

Ohlone’s Transfer Center can help you explore majors and degrees, apply to four-year universities, and connect with university representatives. The center offers presentations, events, and resources to ensure you have the necessary tools to navigate the transfer process confidently.

What major should I choose at Ohlone College?
The Ohlone Transfer Center provides “How to Choose a Major” workshops to guide you through the decision process and discuss your thoughts, interests, and concerns with a counselor. In addition, the Transfer Center provides resources on what you can do with specific majors.

How do I choose a university to transfer to?
Check out the resources at the Transfer Center that are strong in your academic interest. We encourage you to visit campuses that you are interested in transferring to, and then make an appointment with their representatives that come to the Transfer Center. Be sure you also research the transfer programs (UC: TAG and CSU: Degrees for Transfer).

When should I apply to transfer?
Applications are accepted anywhere from one year to one month before you start at your transfer university. Be sure to research specific deadlines for applications early so you don’t miss out on your desired transfer school. The Transfer Center will provide workshops to assist in the application process.

Where can I go to eat on campus?
Ohlone College has dining options on both the Fremont campus and the Newark Center. The new Fremont campus dining facility, on the second floor of building 5, offers options for all. Looking for a quick snack? Many of the buildings have vending machines and the bookstore (building 4) offers snack and drink options as well. In addition, there are many water bottle filling stations on both campuses.

I want to work on/off campus, where can I go to find a job?
The Career Center, located in Ohlone’s Newark Center, offers different tiers of service to Ohlone College students and local community members. Handshake is a great place to search for available jobs and connect with employers. Be sure to also connect with Ohlone’s Financial Aid Department to inquire if you are eligible to receive Federal Work-Study funding.

I forgot to bring supplies for a class, can I buy them on campus?
The Ohlone College Bookstore, located in building 4, offers a wide variety of course supplies, textbooks, academic technology and Ohlone College gear. For more information, visit www.ohlone.edu/bookstore.

Where are the best places to study on campus?
There are many great places to study while you are on campus. You can utilize the newly remodeled dining hall on the Fremont campus or the Cranium Café at the Newark Center. Free WIFI is provided on campus. Be sure to take advantage of the outdoor tables and grass areas to study in between your classes. The Multicultural Student Center, EOPS, and many buildings have spaces for you to study. Be sure you also check out the Fremont Library (building 3, fifth floor) for great views and quiet places to study as well.

Is there a place to see what campus events are taking place?
Canvas is a central place for you to interact with Ohlone College announcements and your online course material. Program flyers and event information from different departments are often advertised once you log in. Also, be sure to also follow the many clubs, organizations, and academic departments on social media. You can follow the official Ohlone College pages on Facebook, Twitter @ohlonecollege, and Instagram @ohlone_college.
Do I need a permit to park a car on campus?

Parking permits are required when parking on campus. Semester parking permits are available for purchase 21 days prior to the start of each semester. For details on how to purchase a semester permit visit: www.ohlone.edu/cps/permits. Student permits are good for only the single semester for which the permit was purchased. Visitors, or students who do not wish to purchase a semester permit, must purchase and display a valid daily parking permit. Daily permits can be purchased at the kiosk machines located in most parking lots at both campuses and at all levels, near the elevator, of the South Parking Structure on the Fremont campus. Daily permits are valid only for the date purchased and can be used at either of the campuses. Visit www.ohlone.edu/maps to see parking lots, and permit machine locations.

I am having a hard time in classes, what should I do?

Ohlone offers many support resources to assist you through your time at the college. If you are unsure of where to get assistance, contact the Counseling Department for general guidance on what resources would be helpful for your situation. Some of the great support resources include Student Accessibility Services (SAS) for students with disabilities, and our Undocumented Student Network for students with AB540 or undocumented student status.

A great option is to also check to see if tutoring is available. You can form study groups with classmates, and are encouraged to visit your instructor’s office hours for additional support.

I feel unsafe walking on campus, what should I do?

If you ever feel unsafe on campus, call the police dispatch number (510-659-6111) for assistance. Ohlone Campus Police also offers students and community members services such as a walking escort, and blue light emergency phones (spread across both campuses) for quick and easy access to emergency assistance.

Ohlone College offers RAVE Guardian, a free mobile smartphone app, as an extra layer of safety. To find out more on how to enroll in this free program visit: www.ohlone.edu/cps/rave. Be sure you keep your information up to date with accurate cell phone and email contacts to receive notifications should an emergency on campus occur.

What do I need to do to change my major?

Things change! First, you should speak to a counselor. Talking to a counselor can ease the transition from one major to the next. Once you have made your decision, fill out and submit a “Change or Declare Major Form” to Admission and Records.

Are there transportation options available to students?

Ohlone offers a shuttle service that picks students up from both the Fremont and Newark campuses, and the Warm Springs BART station. A valid Ohlone Student ID is required to ride the shuttle. Be sure to check to visit www.ohlone.edu/ohlone-shuttle-services for shuttle operating schedules and updates.

How do I print on campus?

Students can print with communal printers at both the Fremont and Newark campuses using Pcounter WebPay. You can add value to their accounts from anywhere via a secure website https://fcpwd.ohlone.edu/webdeposit.

When creating a new Pcounter account, please use your student WebAdvisor username and password. The cost per-page for students is $0.10 (10¢) per page for black and white and $0.60 (60¢) per page for color.

I have additional questions; can I talk to someone?

Peer Advisors are student leaders at Ohlone here to help you transition and are a great resource to ask any outstanding questions. You can connect with them at the Welcome Center (building 7, second floor) or by email at peeradvisor@ohlone.edu.
