

Ohlone College's Newest Early Intervention Initiative:

Helping Students **CONNECT** to **SUCCESS**

KUDOS & FLAGS

Let students know how they're doing and to stay on track.

REFERRALS

Help students get the support they need by connecting them to counselors, tutors and other resources.

OFFICE HOURS & ATTENDANCE

Keeping office hours in Starfish will make it easier for students to connect with you when they need help. Students can keep track of their own attendance when you record it in Starfish.
